

Safety Quiz

It's not just important to review safety tips with your child, but to reinforce them on a regular basis.

We have created this quiz so you can, at any time; ask a few questions to see if they understand safety issues.

It's best to quiz your child at the spur of the moment, when they are not expecting it. That way you'll get the most honest answers and can determine if you need to go over any tips. We hope that you'll find this quiz informative and useful in your efforts to protect your child. The answers are at the bottom of the page.
